Cramer NASA/DOD aide visits Marshall Center Thursday

John Braun, a NASA/Department of Defense legislative aide from the staff of Rep. Bud Cramer of Huntsville, is visiting Marshall Thursday. His tour includes a Center overview, briefing on the Marshall reorganizational move, overviews from the Space Shuttle Projects Office and Science Directorate, and a visit to the Optics Manufacturing Technology facility and the historic Redstone test site.

Apollo 11 Factoid

In Japan, Emperor Hirohito called off his customary daily stroll to watch the Apollo 11 landing on the Moon. Remember to mark calendars for Marshall's Apollo 11 anniversary celebration and picnic July 17.

In this week's Marshall Star:

- Five Marshall managers, retirees honored at Headquarters
- Apollo 11 30th anniversary, annual picnic details
- Marshall Space Flight Awareness honorees
